USB RECHARGEABLE LED NECK FAN

USER MANUAL

RECHARGEABLE

3 FAN SPEEDS

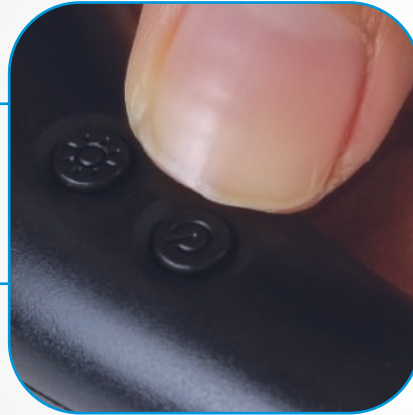

BLUE LEDS

1. Connect the charging cable to a USB wall charger and plug the micro-USB connector into the Neck Fan for 3-hours.

2. Use the power button to select low, medium or high fan speeds.

3. Use the light control button to choose low or high blue LED lights on the fan blades.

4. Place the fan around your neck and bend the fan blade arms into the desired position and enjoy the breeze.

5. Keep the fan clean with a damp cloth.

6. Store in a safe place that will not damage the fan blades.
